Thank you for considering Red Lion Hotel Vancouver at the Quay to support your upcoming event. As the leading event technology provider, PSAV works with you and facility staff to ensure each event is an unforgettable experience. It is a pleasure to present you with a few of the following audiovisual elements, which we use to give an event like yours true show-business appeal.

Please review the information below and allow us to answer any questions you may have.

Winter Wonderland

775.00++

Full-room perimeter lighting effects using up-lights and color gels to create a seasonal effect, any time of the year. Included PowerPoint LCD package with the appropriate sized screen helps deliver presentations or videos. Plus, a wireless microphone allows the emcee to move away from the podium for guest interaction.

Reception Package

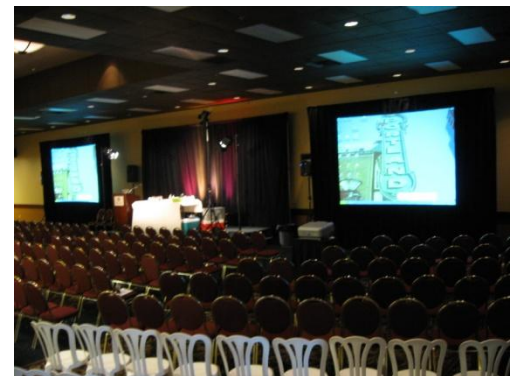

225.00++

Microphone, Five Disc CD Player, a mixer, and up-lights to match your theme or décor.

Small Reception Package

145.00++

Intended for the Quayside, Portside, and Gull's Nest Rooms. Bring your i-Pod or laptop and we will provide cabling to a mixer and 15" Powered Stereo Speaker for dancing or background music.

Centennial Center Gala Event Package

1,300.00++

With an LCD projector hidden behind a 7.5' x 10' screen with velour dress kit, you'll be able to display images of the honored guests or key presentations to all. Included up to 20' velour drape with up-lighting to match your décor. An 8 channel stereo soundboard with powered speakers will help your celebration become an event to remember!

DJ Support

300.00++

Dance the night away with high-quality sound at an affordable price in Centennial Center or our Ballroom. Stereo sound system with "DJ Microphone" and cabling provided, with assistance in plugging in your iPod or laptop.
